## 6. Application procedure

### (1) Prior Consultation

Referring to “List of Faculty Members” on pages 10 and 11 or the university's website, select your desired supervisor (from among the faculty members). **Before applying, be sure to consult with the faculty member in advance through the Admissions Office.** Applications cannot be accepted if you did not carry out the prior consultation.

For seeking prior consultation, applicants are required to send an e-mail with the subject line “Prior Consultation for International Students” to the Admissions Office (nyushi@m.hiroshima-cu.ac.jp). The e-mail must include: 1) your name and 2) the name of a faculty member you wish to work with, and attach ② Curriculum Vitae and ⑧ Research plan data in “6) Application documents”.

**[Inquiry deadline] April 25 (Thu), 2024.**

\* If you would like to receive a prior consultation after the deadline, please contact the Admissions Office.

**(2) Application period**

**May 13 (Mon) to 24 (Fri), 2024 (Must arrive by 5:00 p.m. JST on final day)**

**(3) Submission of Application Documents**

After prior consultation with your desired supervisor, place all of the application documents in an envelope and **mail to the Admissions office, ensuring that the documents arrive within the application period.**

Be sure to write in red **"Application Documents for Graduate School"** on the envelope.

\* We recommend using a tracking service such as Express Mail Service (EMS) or DHL when mailing.

After the application deadline, we will e-mail an Examination number notification to each examinee. If you do not receive it by June 7 (Fri), please inquire with our Admissions Office.

**(4) Selection of either "Master's Thesis" or "Research Report"**

In this Graduate School, students can select either a "Master's Thesis" or a "Research Report", which is one requirement for graduation. In light of the diversification of needs regarding research and education carried out at graduate schools, this system aims to encourage not only highly academic research, but also the acquisition of Master's degrees aiming to improve their expert professional capabilities or acquire advanced education. This system is characterized by the following.

- A "Master's Thesis" aims to create a highly academic expert thesis. Conversely, a "Research Report" is for carrying out research with a specific topic set regarding an expert professional field.
  - **If you would like to advance from the Master's Degree Program to the Doctoral Degree Program in this Graduate School, we recommend that you have a "Master's Thesis".**
  - Make your selection for a "Master's Thesis" or "Research Report" when submitting your application documents. Select either one in the subscribed location on the "Entrance Application Form".
  - If you would like to change your selection after entering the Graduate School, changes may be permitted, but this requires permission from your supervisor.
- \* When selecting either a "Master's Thesis" or "Research Report", **consult with your desired supervisor before making your application.**
